

Having experienced major personal confrontations with their pride, authors and leaders Jim Putman and Chad Harrington now see the potential for change in others.

They have observed churches decline, leaders fail, and Christians stagnate in their faith. They've seen leaders

pivot by changing programs, teaching new information, and forming discipleship groups. But why don't they experience growth? Sometimes because their pride, the great enemy of discipleship, kills discipleship. Putman and Harrington have discovered a practical path toward humility to help Christians change as they learn to walk humbly with Jesus through the Five Spheres of Discipleship.

The REVOLUTIONARY DISCIPLE

Walking Humbly with Jesus in Every Area of Life

ON THE BOOK

OVERVIEW

Seismic culture shifts leave Christians wondering how to effect real change. In *The Revolutionary Disciple*, Jim Putman and Chad Harrington clear a path for navigating the Five Spheres of Discipleship in a hostile world. Tool up with the four core actions of humility to gain a practical and scriptural approach for fighting Jesus' way. Take action and take ground for your church, family—and the world around you.

RELEVANCE

- Christians and churches are very divided right now over issues of politics and government and other issues of authority. This book addresses this topic head-on with a biblical and practical approach to unify churches and Christians.
- People are considering the future of our nation and the moral direction of our country's leaders. With talk of war domestically and abroad, many Christians wonder what to do. This book offers a biblical path forward.
- Increasingly, more generations reject authority. What is the positive role of authority in the lives of Christians? How do we avoid abuse of authority? This book offers biblical solutions that have practical grit.

WHAT'S INSIDE

- Putman and Harrington scatter personal and biblical stories at every turn, bringing home their points.
- A unique framework for holistic discipleship: The Five Spheres of Discipleship.
- A discussion about politics and religion: The Acts 4 and Romans 13 paradigm.
- A practical and novel definition of a humble disciple.
- Scriptural explanation for every major point.
